ALL ARJAY COMPUTER SYSTEMS COME WITH A 3-YEAR WARRANTY

Our machines are **BUSINESS-CLASS ONLY**. We do not build PC's to compete with those mass-produced, fast-food toys found at your local retail chain. We build **REAL** computer equipment for people who want **REAL** quality and **REAL** performance, and the peace of mind of the standard 3-year warranty to back it up. Call for upgrades or custom configurations and embark upon owning the greatest computer system in the **GALAXY!**

Our PC's can be ordered with Windows XP, Vista, 7 or Server operating systems. Call for availability and details.
